Engaging with Hindus and Sikhs: Opportunities and Challenges

Monday 30 June - an open evening with South Asian Concern from 6.45 – 9.00pm at Emmanuel church, Ridgeway, Wimbledon SW19 4QL. Britain's Hindu and Sikh communities are successful, confident and well integrated in our society. But they also face questions of identity and some are uneasy about what they see as Christian intentions, particularly with regard to conversion. How do we share our experience of the good news of Jesus? How can local churches reach out effectively, with all the other demands on their time and resources? Ram Gidoomal, Kumar Rajagopalan and Robin Thomson will share their perspectives. Light refreshments at 6.45pm. Further information from SAC: 020 8770 9717
